### **TRAVEL INFORMATION / TRANSIT**

Given the current challenging situation with the additional Covid-19 measures we share useful links and information regarding the transit passage to the rally and back.

The latest information we received from the Ministry of Interior in Germany (Bundesinnenministerium) is that Germany is open for transit passengers.

Our team issued and sent to every registered person in the data base a confirmation for the rally participation. We also confirm the travel to the rally in Poland and back and the transit passage of the countries in between. This document can be used for border controls, if needed.
